

POLICIES AND PROCEDURES- RHODE ISLAND INTERSCHOLASTIC INJURY FUND

MISSION

Established in 1947, Rhode Island Interscholastic Injury Fund (the “Corporation”) is a nonprofit Rhode Island corporation constituted for the purpose of raising, maintaining, and administering funds to the schools in the Rhode Island Interscholastic League who, because of injuries to their athletes, have depleted their budgets.

The fund considers payment of medical, dental, and physical therapy bills for injuries incurred by an athlete, coach, or official participating in a sanctioned interscholastic league event. For the purposes of this document the term “athlete” includes coaches and officials participating in RIIL league sanctioned events. The Injury Fund considers bills, which exceed the amount covered by an eligible athlete’s primary insurance coverage. It is important to note that the injury fund is **not an insurance company or a workmen’s compensation program.**
